Having Met in High School, Bill Slaven and Bob met with a similar interest, cars. For over 60 years, their friendship took them all over the United States hunting those classics Corvette Cars and parts. They put the miles on going to swap meets, car shows, following leads, and auction. Bringing home -that his car friend, had accumulated such a hoard of Corvettes, parts, and more. Bill brought them home and DROVE them into storage units, farm barns, and his own shop. Health Issues started to plague Bill and he was not able to go on as many car hunts with Bob. Bob got that phone call and knew something was wrong. Bill Slavens passed away and Bob took on the task of going back through history and the years of friendship, by cleaning and sorting through Bill's collection. Bob did not realize that his friend, had squirreled away those cars for so many years. Months of cleaning and locating, Bob will now offer his friends Collection at auction. VanDerBrink Auctions will sell this Corvette Collection including Corvettes, parts, and more. There is everything from a Rare 1953 Corvette Roadster to over 10 Fuel Injection Units and NOS parts. This is a Live auction with Online bidding also available for vehicles, some of the parts. But many parts will be for onsite bidders only. Plan to attend this auction. The auction will be at the Jefferson County Fairgrounds. VanDerBrink Auctions, Yvette, saw their pickup pull up at many auctions and have known the friends for almost 23 years. They would show up early and always had their notebooks and ready to bid on Chevrolet Treasures. So, Plan now to attend this auction and the Bill Slavens Corvette hoard.
